Environmental Science Transfer Checklist

Eastern Iowa Community College (EICC) - Clinton, Muscatine, Scott

Our transfer checklist is designed to assist students who wish to transfer courses from EICC to Iowa State University and major in Environmental Science. Students need not complete everything on this list prior to transferring, but the courses suggested will fulfill our degree requirements. We recommend discussing the checklist with an advisor in our student services office, as other courses may also apply and could be more appropriate for a particular career.
